Call to Order

Chair Catherine Crawley called the meeting to order at 5:30pm.

Sharing the Heat Workshop

Debbie New, coordinator at Vermont Community Thermal Networks, and Jared Rodriguez, executive director at Community Decarbonization Partners, led the workshop, which explored how to capture and repurpose thermal energy to provide heating and cooling that's economically and locally beneficial. They reviewed thermal energy network technology and case studies, and discussed how it could be applied in Stowe.

Adjournment

There being no other business, Vice Chair Robi Artman-Hodge adjourned the meeting at 7:30pm.
