FY'25 General Fund Operating & Capital Budget Deliberations

Summary: This time has been set aside for the Selectboard to deliberate on the draft FY'25 General Fund Operating & Capital Budgets and instruct staff on what if any changes you may desire before warning a public hearing for the 1/24/24 public hearing.

The Selectboard still needs to decide what if any new or increased Social, Community & Economic Development request to fund:

Stowe Area Association: Current \$20,000 Request \$24,000 Change \$4,000 % Change 20%

Stowe Farmer's Market: Current \$0.00 Request \$10,000 Change \$10,000 % Change 100%

Vermont Foundation of Recovery: Current \$1,000 Request \$1,200 Change \$200 % Change 20%.

It should be noted that the Selectboard must vote to adopt the Annual Meeting Warning 30 to 40 days in advance, so the earliest you can adopt it is 1/25/24 and the latest you can adopt it is 2/4/25. To meet these warning requirements, the Selectboard will need to hold a special meeting.

Town Plan Impact: N/A

Fiscal Impact: The Selectboard set the goal of keeping the net budget under the October CPI-U which was 2.75%. The proposed budget represents a 2.65% net budget increase (\$302,074) and a projected tax rate increase of 2.65% (.0125 increase in the tax rate).

Recommendation: Please advise on when you would like to hold a special meeting to adopt the Annual Meeting Warning and what if any changes you would like to make to the draft budget.

To: Selectboard From: Charles Safford, Town Manager Date: December 27, 2024 Re: General Fund Letter of Transmittal

GENERAL OVERVIEW

The CPI-U for October was 2.7% and the Grand List is projected to grow by 3.0%. The anticipated growth in the grand list is \$ 725,141, which provides \$350,751 in anticipated new tax revenue. A penny on the tax rate raises approximately \$248,965. The FY' 25 Budget as proposed represents a net budget increase of \$302,812 (\pm 2.66%). The proposed budget is projected to increase the municipal tax rate \$.0125 or (\pm 2.65%).

The proposed operating budget reflects a status quo budget with no new services or major initiatives. It incorporates \$300,000 in administrative contingency primarily due to upcoming labor negotiations. The low unemployment rate and demand for certain employee positions by competing employers has increased, driving up labor cost.

It should be noted that the undesignated surplus is \$1,641,837 based on the FY'23 audited financials. This represents 9.8% of the proposed FY'25 operating budget. Two months of cash flow equals \$1,800,000. If the Selectboard thinks there is sufficient undesignated surplus, it should budget to transfer additional money to the Equipment Fund, so that it doesn't go negative or other one-time spending.

General Fund Expenditures

Across the board projections that affect all departmental budgets are as follows:

- 1. Electricity is based on 5-year average usage and Stowe Electric current base rates and a 5% potential rate increase.
- 2. Wages and Salaries Employees under the Personnel Rules, IBEW, and Police Agreements are budgeted to receive a 2.7% increase in accordance with the contractual minimum increase based on the October CPI-U.
- 3. Health and Dental Insurance For the first 6 months, health insurance is budgeted to increase based on costs supplied by providers. The changes include an average increase of 4.8% for the EPO plan and an average increase of 5.4% for the VFP plan effective 1/1/24. An additional 5.47% increase, based on plan type and average five-year premium change, is budgeted for the first 6 months of calendar year 2025. A 0% increase in Dental insurance premiums is budgeted.
- 4. Worker's Compensation The Loss modification rate increased from 1.04 to 1.16 for CY 2024. Rates for Emergency Services are the highest and impact the budget by \$103,000 of the \$130,000 overall. This is due to higher rates for merged EMS/FIRE staff, higher payroll, and new hires with the Emergency Services Department. Administrative Staff rate also increased 64%, which is reflected in many Departments.

- 5. Unemployment Insurance The premium rate decreased going from 1.86% to 1.74% of gross payroll up to \$14,300 gross wages per year, up from \$13,500 gross wages per year in FY'24. Minimal impact on budget.
- 6. Prices for #2 fuel oil, diesel fuel, liquid and gasoline were estimated using CPI-Northeast for Oil and Gas 5-year average prices on September 31st. The prices below include a \$.02 per gallon tax on off road diesel, liquid propane, and heating oil for funding the weatherizing homes for low-moderate income Vermonters.

Estimated prices per gallon are as follows:

#2 Heating Oil:	\$3.715/gallon
Diesel fuel:	\$4.273/gallon
Off road Diesel:	\$4.268/gallon
Liquid Propane:	\$1.530/gallon
Unleaded Gasoline:	\$4.213/gallon

General Fund Expenditures

Accounting (\$17,394/+4.82%): No significant changes.

Information Technology (\$50,370/12.00%) Landline phones, used for Alarms and Elevators, 3 year contract expired, new 3 year contract increased rates by 32% (\$5K}, new Town Website Maintenance +\$20K, expected addition of Library to IT Management Contract we negotiated for no increase to contract, savings -\$17K that had been included in FY'24 budget, added SOC/SIEM & Microsoft Defender +\$25K {was added in FY'24 to Admin Contingency midyear}.

Administration (307,257/48.18%): Contingency has increased from \$10,000 to \$310,000. This amount was included primarily in recognition of upcoming labor negotiations and wage pressures.

Annual Leave (\$0/0%): No significant changes.

Buildings & Facilities (\$10,618/1.89%): A capital outlay line item was added to recognize some moderately sized projects (e.g., Cemetery Hearse Building Repairs \$6K, Highway Generator Switch Replacement \$8K, and replacement of three Highway Garage Doors \$12K).

Capital: See Separate Letter of Transmittal.

Cemetery (\$3,900/18.75%): 60 Headstones in Riverbank Cemetery need attention \$22,500, increase of \$3,900/+21%.

Debt Management (-\$74,703/-5.45%): No Debt has been retired in FY'25. Arena Bond was restructured by Vermont Bond Bank, interest expense savings \$41,758 in FY25, \$250,618 interest expense savings over the next 10 years. Enclosed is a debt retirement schedule.

Economic Development & Community Services (-\$1,000/-1.03%): FY'24 appropriations have been carried over. Two organizations have not reapplied by choice. The following non-profits have requested increased or new appropriations:

Emergency Management (+\$3,000/+48.39%): Additional Traffic Signs, Barricades, and Traffic Cones for Road Closures with Emergency Events.

Emergency Services {EMS/Fire} (+\$303,124/+17.53%): The EMS/Fire Chief's position has been deleted but will need to be added back in for FY'26 (\$192,000 Wage/Benefits). In FY'24, the budget included two new full-time firefighter positions for half of the year. Money has been added to the FY'25 budget for the full year (\$130,000 Wage/Benefits). Workers Compensation increase (+\$102,796/+69.63%) due to WC Class change of EMS full time staff to Fire WC Class. Increase in EMS Billing Rates will add \$15K for Third Party Billing Fees and Vermont Fee Assessment of +\$6K.

Equipment Fund Transfer (\$20,000/+3.92%): The proposed FY'25 transfer from the General Fund to the Equipment Fund is \$530,000 and is proposed to increase annually \$20,000 per year. It should noted that the Equipment Fund has a negative fund balance and should be a priority to increase funding in future years as fiscal capacity permits.

The following pieces of equipment are scheduled to be replaced in FY'25 for a total of \$226,000.

DEPT	VEHICLE	MAKE	Purchase FY YEAR	Replace FY YEAR	LIFE CYCLE	Budget FY25

Administration (\$28,237/2.94%): State Land Use {\$17,915/5.0%}; Delinquent Interest {\$6,611/3.38%}; Act 68 Collection Agent {\$11,816/12.12%}; Wireless Capital Lease due to new accounting requirements to capitalize the leases {-\$10,439/-10%}.

Building & Facilities (\$0/0.00%): No significant changes.

Capital: See Separate Letter of Transmittal.

Cemetery (\$0/0%): No significant changes.

Debt Management: (-\$516/-.09%): No significant changes

Elections (\$0/0%): No significant changes.

Emergency Management (\$0/0%): No significant changes.

Emergency Services {EMS/Fire} (\$190,000/+89.06%): Ambulance transport revenues increased due to implementation of higher rates.

Fire (\$0 /0%): No billing for false alarms.

General Government (\$0/0%): No significant changes.

Highway (\$10,170/4.38%): Highway Block Grants (+\$22,370/+11.97%,) Back Road Stormwater Grants (-\$15,000/-37.50%).

Library (+\$145/+4.10%): No direct endowment income anymore, these are Library operational revenue only. Support from the Friends of the Library and Endowment Fund is managed in a separate Library Trustees Fund.

Listers (+\$200 /+4.55%): No significant changes.

Mountain Rescue (\$0/0%): Revenue generated only when State Reimburses for outside of Stowe Missions.

Parks (-\$780/-2.05%): Field Lining revenue down.

Police (-\$58,632/-26.78%): Reduced Special Event revenue due to anticipated decrease in contract work.

Public Works: (+\$90,581/+98.14%): Allocation of Assistant Engineer Salary & Benefits, 25% to Water, 25% to Wastewater. This was budgeted into the FY 24 Water & Wastewater budgets approved in May 2023. Public Works Director is budget at 33% to Water and 33% to Wastewater, up from 25% in FY 24, This is a reflection on the increased demands of Public Works towards the Utilities.

Recreation (\$-536/-.26%): Lower Summer Camp Attendance offset by increased Camp Fees.

Stowe Arena (-\$35,802/-9.79%): Revenues were decreased to be in better alignment with actuals.

Town Clerk / Treasurer (+\$112,746/+32.93%): Interest Income on Cash Balances increase \$157,912, Recording Fee Revenue declining with fewer Property Transfers. Lower Traffic in Research room from use of online database for Property Research resulting in lower Photocopy and Vault Fees. Online database expanded scanned property records further back into history in a project from FY '23.

Zoning & Planning (+\$10,100/+14.43%): application fee revenue increased \$10,000 over prior budget, actual revenue in last few years is significantly higher due to large developments on the Mountain. There is no expectation of large developments before the board in FY 25.

Local Option Sales Tax: (\$0/0.00%): Continue with same level.

Surplus Carry Forward (\$0/0.00%): Continue with same level.

Undesignated Fund Transfer: (-\$815,000/-100%): This was a one-time transfer to the Equipment Fund in FY 24.

Grand List Growth: (+\$350,751) This is the Property Tax Collection impact of 3% growth in the Grand List.

To: Selectboard From: Charles Safford, Town Manager Date: December 27, 2023 Re: Capital Plan Letter of Transmittal

The Town received \$1,506,248 in local option rooms, meals & alcohol taxes in FY'23 and over the last two completed fiscal years the average is \$1,500,000. Finance is estimating \$1,500,000 million in new local option tax revenue for FY'25. Of this \$350,000 has been earmarked for Stowe Arena debt and the annual debt payment for the overhead utility line is estimated at \$203,547. This is estimated to leave in new revenue \$946,453. Added to the unallocated capital reserves of \$382,772, this is anticipated to leave \$1,329,225 available for new capital appropriations.

The proposed FY'25 projects are as follows:

 Memorial Room Audio Video System Improvements Moscow Village Flashing Speed Signs Rec Path Reconstruction – Town Farm Lane to Cape 	\$ 20,000 \$ 20,000
 Cod Road Akeley Building HVAC Replacement 	\$480,000 \$485,000
TOTAL:	<u>\$ 1,005,000</u>
The list of potential FY'26 projects are as follows:	

٠	Memorial Park/Rec Center Building – Preliminary	
	Design and permitting	\$320,000
٠	Emergency Management Shelter Generator	\$300,000

TOTAL: <u>\$ 620,000</u>

Town of Stowe Selectboard c/o Charles Safford 67 Main Street Stowe, VT 05672

Dear Town of Stowe Selectboard,

We are writing to bring to your attention to the increasing demand on the Stowe Area Association's Visitor Information Center, particularly our public restrooms.

The Visitor Information Center serves as a vital hub for both locals and visitors, with our restrooms playing a pivotal role in ensuring a positive experience for everyone. As one of the two public restroom facilities for the Town of Stowe, our bathrooms are consistently in demand. Maintaining clean, accessible, and safe restrooms is crucial for ensuring a positive experience for guests, tourists, locals, and community members alike.

Despite facing financial challenges resulting from substantial restroom use, our commitment to accommodating everyone who seeks our facilities remains steadfast. We've experienced significant costs, with a 30% increase in our year-over-year expenses to maintain the bathrooms. This includes utility bills and the continuous supply of essential items such as toilet paper, paper towels, sanitizing hand soap, hand sanitizer, and deodorizing products. The rising prices of these products and associated labor expenses strain our existing resources, intensifying the challenge of sustaining clean restrooms and managing daily plumbing maintenance.

The Visitor Information Center is not just a resource for visitors; it serves the entire community. Our public restrooms, as accessible facilities for the Town of Stowe, provide a gender-neutral environment spacious enough to accommodate families with children. Securing additional funding will not only facilitate the upkeep of these essential facilities but also support the community-focused initiatives. Access to a safe, private, and clean restroom is a fundamental right for everyone. With your additional support, we can ensure the continued cleanliness and safety of both our restrooms for all.

We kindly request your consideration of this matter and urge the Town of Stowe to allocate additional funding to support the Stowe Area Association's Visitor Information Center and its indispensable public restrooms.

Thank you for your time and for your service to our community.

Sincerely,

Carrie Simmons Executive Director, Stowe Area Association

Stowe Area Association (SAA) is a 501(c)(6) nonprofit destination marketing organization with over 200 business members who rely on the tourism dollars we help attract with our destination marketing and promotional activities. The local tourism economy supports the vibrancy of Stowe as well as providing quality employment opportunities to the local workforce. In fiscal year 2023, we served approximately 44,445 guests either in person at the Stowe Visitor Information Center, via email, or phone.
Services provided to Stowe that have a public benefit:
Our destination communication and marketing play an integral role in the competitiveness of the visitor economy, and act as a catalyst for economic development. Travel and tourism enhance the quality of life for residents by providing jobs, bringing in tax dollars to improve services and infrastructure, and attracting and retaining businesses and amenities that cater to visitors and locals. Our marketing and guest service initiatives help drive taxable receipts and revenues to Stowe, SAA also operates the Go Stowe Visitor Information Center providing tailored recommendations and guidance and provides public restrooms.
Maintain the gostowe.com website; operate, maintain, and staff the Go Stowe Visitor Information Center and public restrooms; promote Stowe as a must-see, year-round destination; manage media requests; active sales outreach to potential consumers; and support Stowe's economic and cultural vitality through our partnerships with the Town of Stowe Mountain Resort, Stowe Arts & Culture Council, Green Mountain Byway, Green Mountain Transit, Vermont Chamber of Commerce, Vermont Department Tourism & Marketing, and more.

## **Stowe Farmers Market**

Approximate population served within the Stowe Community: While it is difficult to track exactly how many visitors attend the market, we estimate several hundred each week. Over the course of our season, upwards of ten thousand visitors comprised of both residents and tourists likely visit the market. Many of our regular customers are locals who rely on the market as a source of fresh produce, meat, dairy, etc. for their families. In the Winter months, when the market is not operating, customers continue to have access to the vendors through online or special orders which creates a year round relationship that benefits both the customer and vendor. In addition, some of our vendors live in Stowe and the surrounding towns.

Services provided to Stowe that have a public benefit: The farmers market provides a space for consumers to directly connect with producers, artisans and musicians. It serves as a reliable source for fresh, healthy foods as well as a hub for activity, connection and learning. By shopping at the farmers market, customers are helping to strengthen the local food system and agricultural economy. The market also provides economic opportunity for existing businesses as well as emerging ones.

Each week, the market also provides free entertainment from local musicians. Our event is open to all ages and serves as a meeting place for friends and families. People often bring picnic blankets or chairs to sit in the grass and listen to music while sharing a meal or letting their kids explore the market. We have also provided kids activities such as a cider pressing demonstration and crafts in partnership with local organizations. The farmers market is a weekend destination that is often advertised in lodging promotion, on social media and in town publications.

**Intended Use of the Appropriation:** The funds will be used to help secure a more permanent location for the market as well as help to cover our fixed operating costs. We have historically operated on privately owned land with low rent costs, but recent years have brought a significant cost increase that we are unable to sustain on our own. We have raised our vendor fees to help cover these costs, but it is not sustainable to greatly increase our vendor fees each year.

The market also hopes to be able to offer EBT processing in order to provide access to local produce for Vermonters that receive those benefits. The market is not currently set up to process EBT, but feels it is an important service to offer the community. Food insecure Vermonters would be able to visit the market and swipe their EBT card in exchange for funds to purchase local produce, meat and dairy. The costs associated with setting up this programming

have prevented the market from offering it in the past, but more customers are requesting it as additional funding has been made available to them through pandemic assistance. Being able to offer EBT processing would help the market be accessible to even more members of the community.

**Funding received from other municipalities:** We apply for grants through the Northeast Organic Farming Association and other sources as they become available, but they are often infrequent and only for specific needs. We receive sponsorship from a local business to help cover the costs of providing live music every week, but that is a one time payment and is only used towards entertainment costs.

**Other funding sources:** We receive no other outside funding and would greatly benefit from building this fiscal relationship with the Town of Stowe. Our budget is fully funded by vendor fees and the occasional grants received. We work hard to operate within our fixed income and do not have the funds available to keep up with rising operating costs. Receiving support from the town would help us remain a secure presence in the community.

# Select board Community Appropriation Request Form

Non-profit requesting funds: Vermont Foundation of Recovery (VFOR) IRS Non-profit ID# 46-455-4970 Address: PO box 5490 Essex Junction, VT 05453 Contact person: Anne Latulippe, Director Phone number: 802-279-2990 Email address: annemlatulippe@gmail.com Amount of funding requested: \$ 1,500.00 Is this a new request? no Is this an increased request? yes Approximate population served within the Stowe Community:

VFOR is a statewide organization, operating homes in six counties with services covering Lamoille, Washington, Franklin, Chittenden, Caledonia and Rutland. Established in 2013, with one house and a dedicated staff of two, VFOR has grown its operations to include eight homes with a total of 58 beds. Plans are in motion to add a home in Bennington, as well as an additional home in Essex, increasing the total number to 75 beds. These homes are located in proximity to established social services required for wrap around support for the recovering population. Our location in Morrisville and all other VFOR homes are available to any Stowe resident in need of recovery housing.

Local data is difficult to secure within a population that is marginalized due to substance use disorder (SUD). The duality of this question speaks to ALL residents of Stowe; the person who is desperate to find sobriety and their loved ones, who are in need of guidance and support in the healing process. VFOR establishes a safe and substance free environment where the journey can begin to take hold.

Recent VT studies show, Recovery Residences (RR) are available for only 2% of demand. VT Status reports over 900 people are homeless at the start of treatment for SUD. Total number in treatment has risen four-fold since 2000. 75% of care providers, across VT, say between 66% and 100% of their clients are dealing with a housing issue that is interfering with recovery. 28% identified the need for RRs as the biggest gap in housing services to their clients. Research found sober housing after treatment discharge, resulted in lower substance use, higher monthly income, and lower incarceration rates compared with those who left without this support. People in recovery, who have access to sober housing become healthy, productive, and valued citizens. It is with the hard work of its dedicated leadership and staff, along with grants and donations that allows VFOR to collaborate with community partners to increase capacity and fill the void of housing in the continuum of care.

## Services provided to Stowe that have a public benefit:

VFOR envisions a future in which it will be able to connect addicts and alcoholics with services, which shepherd them from detoxification, to inpatient treatment, to outpatient counseling, sober living, employment, and ultimately independent living, as valued and productive members of their communities. We envision that these services will be available to anyone who needs them, and that they will be available locally, and immediately.

According to the National Council for Mental Wellbeing Report, October 2021:

"In 2019, 20.4 million people above the age of 12 had a substance use disorder in the United States, including 14.5 million people who had an alcohol use disorder and 8.3 million people who had an illicit drug use disorder. Partially due to a lack of recovery support, more than 60% of people who receive treatment for substance use disorder relapse within one year of leaving treatment".

Every year, over 12,000 people in Vermont leave substance use disorder (SUD) treatment. VT studies show, Recovery Residences (RR) are available for only 2% of demand. In VT, 75% of care providers report between 66% and 100% of their clients are dealing with a housing issue that is interfering with recovery, while 28% identified the need for RRs as the biggest gap in housing services to their clients. Unfortunately, as the opioid problem has increased in VT to an all time high, reaching a total of 140 accidental deaths due to overdose as of July 2023. VFOR is committed to the continuation of its current operations, as well as increasing capacity to meet the needs of Stowe residents, their families and the state as a whole.

### Intended use of the Appropriation:

We will use the funds as a means for scholarships. Residential members of our homes are required to be self-supporting with the outcome being productive members of society. Many of these individuals arrive desperate and beaten down with little or no assets. We strive to offer a small scholarship fund that provides assistance in the early days and weeks of sobriety. This small hand up can make all the difference in the success of our members and their families.

## Funding received from other municipalities:

VFOR is currently applying at various towns served by our homes in the before-mentioned counties. Last year we were successful in securing funds from Essex Junction. VFOR recently was awarded a grant to expand the organization through the hiring of a dedicated FT development position that will allow for the growth of outreach to additional municipalities. This work is committed to in VFOR's three year strategic plan.

### Other funding sources:

VFOR currently receives funds through a variety of outreach. The members themselves pay dues to live in the house, much like "rent". In addition, The Vermont Division of Substance Use Programs(DSU), UVM Community Health and numerous private philanthropy organizations have supported VFOR with funds for programs and expansion. In addition, VFOR holds two events a year as fundraising activities and writes an Annual Appeal to community members who have supported us in the past or who are alumni of our programs.

We continue to collaborate and receive many in-kind donations from medical services to furniture suppliers to transportation providers. In each location, effective relationships are in place with numerous organizations to create public-private partnerships to benefit members. These collaborative organizations include: Howard Center, JUMP, Food Shelf, Salvation Army, North Ave Alliance, Joseph's House, Catholic Charities, Working Fields, CVOEO, CVOEO JFI, Collaborative Helping Initiative (Aspenti), BHA, COTS, TPC Chittenden County, TPC Washington County (Barre), BAART Clinic, Waterbury Congregational, Good Neighbor Fund, Working Fields, TPC Franklin County, Tim's House, and Northwestern Medical Center. In Morrisville, we continue to nurture and build relationships with our neighbors, North Central Vermont Recovery Center, Jenna's Promise, the Sheriff's Office, local churches and numerous small and large businesses.
