All requests for special event police officer(s) will be approved by the Chief of Police. Advanced notice is required for all special events to allow for time to assess the needs for the event. The Chief of Police or his designee will work with event organizers to determine the appropriate level of police coverage and other related details. The Chief of Police may require specific signage or other related items, which the event organizer/contractor would need to supply, to aid in traffic direction and parking. The Chief of Police will have final approval on police staffing levels and finalized event plans relating to police and traffic matters.

The Chief of Police or his designee also reserves the right, at any time, to increase the police staffing levels should there be a need. The increase police officer staffing would be billed to the event.
