Private Ice Skating Lessons During Public Skating

Section 1 Purpose: To specify when private Instructors are permitted to conduct private skating lessons during public skating.

Section 2: Private Skating Lessons during Public Skate

- a.) Instructors must provide the Arena with copies of current Instructing Certification and Certificate of Insurance demonstrating \$1 million dollars of general liability insurance naming the Town of Stowe as an additional insured.
- b.) Private lessons are not permitted during high volume times (e.g. Skate with Santa, weekend/weekday publics skates with high volume attendance.).
- c.) Both Instructor and Student are required to pay admission fees.

Section 3: The Arena staff reserves the right to discontinue any private skating lesson if it becomes a safety problem or otherwise unreasonably interferes with public skating. If a lesson is cancelled by the Town, the instructor's and student's admission will be refunded unless they choose to continue skating during the public skate.
